## **Travel Directions (See website for alternative routes)**

### **From New York City:**

Take the thruway 87 to exit 19. Go west on route 28 for about 28 miles to route 42 at Shandanken. Turn right onto 42 for about 11 miles to route 23a. Turn left and take 23a about 6 miles to 23. Go straight onto route 23. When you are going thru Stamford you will pass route 10 [you've gone about 13 miles on 23].

From that point on you go 4 or 5 more miles on 23. You will see a big faded red supply building on the left and a very small sign for Delaware county route 33 on your right. Take route 33 to the left for about 4 miles till you come to a stop sign. Continue straight. You will now be on route 12. Go exactly 2.3 miles to McKee hill spur. [You will also see a small sign for harmony hill on your left shortly before the road].

Turn left and go 1/2 mile to the top of the hill. You will see a sign for Harmony Hill Retreat Center on your left. Take that road up to the Mountain Chalet.

### **From Oneonta's Southside Mall:**

Take SR 23 east towards Davenport Center for 6.8 miles (look for Davenport Garden Center on right) there is blue sign just before the garden center that says East Meredith & a sign for Hanford Mills Museum Turn right there onto County 10 and go 2.5 miles. Turn left onto County Route 12 (this is also the turn to get to the entrance for the Hanford Mills Museum) and go exactly 3.6 miles.

Turn right onto McKee Hill Rd. (It is easy to miss as the road takes a sharp dip down.) Harmony Hill Retreat Center is .6 miles on your left at 694 McKee Hill Rd. Take that road up until you see a telephone box mounted on a telephone pole just before you reach our Mountain Chalet.. This is appx. 1/3 mile.
